Instructions: Refer to the *Resume Checklist* and *Creating a Resume That Stands Out* resources in your career services module. Create a nice, clean resume. Create accounts on sites like CareerBuilder, Monster, Indeed, and Glassdoor. Upload your resume to these sites and make your resume public. Turn in your resume in addition to this document. Answer the questions below.

What are the URLs to your profile on the sites you uploaded your resume to?

I am not taking this bootcamp for the career in this field. I have a career as a CPA and I own a bar. I'm learning this information to be able to create and maintain my own website applications for my bar.

Because I am not in this for a career, I don't feel comfortable adding a resume to these public sites.
